MEMORANDUM FOR THE RECORD

SUBJECT: Release to Select Committee of "Report on Feasibility  
of CIA Conducting Selected Intelligence Training for  
DOD," 3 May 1974

STATINTL

1. [REDACTED] DIA, contact officer for MOTC matters, called on 18 November 1975, relaying a request from [REDACTED] USA, (USAICS) for permission to release subject document to the House Select Committee. Mr. Lanakan is the Committee staff member making the request.

3. I notified [REDACTED] late on 19 November of the opinion and requested that he inform [REDACTED]. I recommended that both Annexes be removed and that a statement be inserted indicating the reason ("This Annex has been removed because it describes operational training programs which in turn reveal intelligence methods").
